Tuning the Corrulute

Use this tally chart to help you tighten the strings before you use the online tuner…

Twist the machine head half a turn (or 180°) clockwise with your fingers and tick off every 10 turns.

180° Turns			10	20	30	40	50	60	70	80	90	100	110	120	130	140
Strings	1st	G												120		
	2nd	C							70							
	3rd	E												120		
	4th	A														140
